

A top-down view of a desk with a laptop, coffee cup, pencils, paper clips, and a succulent. The desk is a light brown color. A silver laptop is open on the right side. A white coffee cup with a lid is in the top left. Two yellow pencils are in the top center. Four gold paper clips are in the bottom right. A small green succulent is in the bottom right corner. A black rectangular box is on the left side of the image, containing the text 'Harnium' and '| Website | IT Solutions | E-commerce |'.

Harnium Digital Business Solutions

Website Management

A company's website helps it develop as a leader in the industry. For which the website needs to have the Content that can be optimized for search engines, a design that doesn't only attract the visitors but also satisfies the ideal website structure.

Website Maintenance

Only building the website is not enough to retain customers. Regular maintenance is the key. It involves checking for errors to keep it up-to-date with the latest products & services, redesigning etc

Digital Marketing

Here we tend to utilize the internet to connect you with your potential customers where we use SEO, Content marketing, PPC, Email marketing as a part of our strategy to provide you a web presence that is ideal for your growth

Social Media Management

Under this, we try to build your presence on social media platforms along with engaging as much audience as we can through the content your business posts online intentionally and authentically.

Social Media Marketing

Here we try to use social media presence with the intent of educating the audience about the products and services with our world class strategies.

Ecommerce Business Management

This involves the exposure of your business to the online platforms where the potential customers of your business can be found. These online platforms include Amazon, Flipkart and website which can be used to boost your sales.
